

Science & Engineering from China

Series B Subject Databases from the China National Knowledge Infrastructure

Database	Chinese Series Designation	Pinyin Series Designation	Topics included	Typical Contributing Journals	Est Articles w/ Eng. citations/ abstracts	Article count 1994-2006	Weight within Series	Archive price (1994-2007)	2008 Current Price	Archive PLUS current price
Chemistry in China: CAJ Subject Database (B10)	化学	HUA XUE	Organic and inorganic and chemistry, polymer chemistry, physical chemistry, analytic chemistry, applied chemistry, crystallography	Higher Education in Chemical Engineering, University Chemistry, Journal of Chemical Education, Journal of the University of Shanghai for Science and Technology, Nature Magazine, Journal of Sichuan Agricultural University, Journal of Beijing Union Universi	50%	151 010	19%	\$2 698	\$540	\$3 238
Inorganic Chemistry and Chemicals in China: CAJ Subject Database (B11)	无机化工及新型材料	WU JI HUA GONG JI XIN XING CAI LIAO	Chemical industry, processes and economics industry, nonmetal and metal elements, electrochemistry, electrothermal, high temperature products, silicate industry	Chinese Journal of Applied Chemistry, Uranium Mining and Metallurgy, Acta Physica Sinica, Journal of Chemical Education, University Chemistry, Chemical Research in Chinese Universities, Hydrometallurgy of China, Chemical Engineering of Oil and Gas, Chemic	40%	165 704	21%	\$2 961	\$592	\$3 553
Organic Chemistry and Chemicals in China: CAJ Subject Database (B12)	有机化工及新材料	YOU JI HUA GONG JI XIN XING CAI LIAO	Organic and macromolecule chemistry, solvents, plasticizers, adhesives, fertilizers, pesticides, pharmaceuticals, pigments and dyes, paint, flavors, cosmetics	Chinese Journal of Applied Chemistry, Journal of Petrochemical Universities, Petrochemical Technology, Science and Technology in the Chemical Industry, Petroleum Refining Engineering	30%	300 957	39%	\$5 378	\$1 076	\$6 453
Fuel and Chemical Industry in China: CAJ Subject Database (B13)	燃料化工及其他化学工业	RAN LIAO HUA GONG JI QI TA HUA XUE GONG YE	Coal, fuel illumination industry, explosives, petroleum and natural gas, pigment and dyes, thickeners, grease and wax processing, spices and cosmetics, magnetic record materials, chemistry processing and fermenting industry, protein chemistry processing	Fuel and Chemical Processes, Coal Conversion, Gas and Heat, Beijing Energy Conservation, Petroleum Planning and Engineering, Dyestuff Industry, Chemical Research in Chinese Universities, Inorganic Chemicals Industry, China Petroleum and Chemical Industrie	60%	63 378	8%	\$1 539	\$410	\$1 949
Oil/Gas Industry in China: CAJ Subject Database (B14)	石油、天然气工业	SHI YOU, TIAN RAN QI GONG YE	Petroleum exploration and mining, oil and gas processing, storage and transportation, environmental protection and utilization, machinery corrosion and protection	China Petrochemical Industry, Drilling & Production Technology, Oil and Gas Recovery Technology, Natural Gas and Oil, Acta Petrolei Sinica, The Journal of China University of Mining & Technology, Petroleum Exploration and Development, Oil and Gas Geology,	40%	101 367	13%	\$1 539	\$410	\$1 949
Mining Industry in China: CAJ Subject Database (B15)	矿业工程	KUANG YE GONG CHENG	Surveying, mine exploration, equipment, mine and occupational safety, ore dressing, disposal of waste materials, utilization	China Mining Magazine, Coal Geology of China, Uranium Mining and Metallurgy, China Non-Metallic Mining Industry Herald, Mining Safety & Environmental Protection, Express Information of the Mining Industry, Conservation and Utilization of Mineral Resources	30%	131 100	17%	\$1 539	\$410	\$1 949
Metallurgy in China: CAJ Subject Database (B16)	金属学、冶金及金属工艺	JIN SHU XUE, YE JIN JI JIN SHU GONG YI	Metallurgy techniques and machinery, metallurgical industry, processing heavy machinery, heat treating, ferrous metal, smelt iron, ferroalloy, nonferrous metal smelt, welding, metal cutting and metal adhesive jointing, metal cutting processing and machin	Non-ferrous Smelting, Special Steel, Metallurgical Standardization & Quality, China Molybdenum Industry, China's Manganese Industry, Metallurgy of Sichuan, World of Non-ferrous Metals, Iron and Steel, Metallurgical Information Review, Titanium Industry Pr	40%	249 972	32%	\$4 467	\$893	\$5 360
Light Industry and Handicraft in China: CAJ Subject Database (B17)	轻工业、手工业	QING GONG YE, SHOU GONG YE	Textiles, foodstuffs, tobacco, leather, timber and furniture, paper & pulp	China Beet & Sugar, Print World, China Forest Products Industry, Chinese Foreign Footwear, Paper Chemicals, China Pulp & Paper Industry, Enterprise Reform and Management, Commercial Economy Studies, Taxation and Society, Food Science and Technology, New R	40%	346 269	45%	\$6 187	\$1 237	\$7 425
Occupational Safety in China: CAJ Subject Database (B18)	劳动保护	LAO DONG BAO HU	Fundamental theories, management, engineering, sanitation	Safety Health and Environment, China Safety Science Journal, Chemical Industry Occupational Safety & Health, Employee Protection, Safety, Science & Technology Review, Construction Safety, Safety & EMC, Radiation Protection	40%	69 478	9%	\$1 539	\$410	\$1 949
Environment and Natural Resources in China: CAJ Subject Database (B19)	环境与资源的合理利用	HUAN JING YU ZI YUAN DE HE LI LI YONG	Society and environment, environmental protection administration, disaster prevention, environmental pollution and its prevention, waste disposal and comprehensive utilization, environmental quality evaluation and monitoring	China Standardization, Radiation Protection Bulletin, Environment Herald, Metallurgical Standardization & Quality, Environmental Education, Industry and Environment, Shaanxi Environment, Journal of Safety and Environment, Urban Environment & Urban Ecology	40%	214 385	28%	\$3 831	\$766	\$4 597
